### SAFETY PRECAUTIONS:

1. Please use the product on a flat, level ground.
2. High temperature after burning, please use gloves and fire hooks to prevent burns.
3. Keep away from dry grass, branches and other flammable materials when using it outdoors; do not use it in strong winds.
4. Do not lift or move after burning.
5. Do not pour cold water directly on the furnace body after burning.

### STEP 1

Hold down the marbles to stand up on all four feet.

### STEP 2

Insert the grate into each other on the left and right furnace wall panels.
